PARENTS' CLUB

Parents' club is an organization made up of parents and teachers whose common goal is to foster community and college spirit. Parents' club exist to improve outcome for families in disadvantaged areas. Its aim is to break cycles of deprivation, close gaps in educational achievement and enhance student development. It also focus on improving the confidence, connectedness and emotional well-being of parents. We launched our parents club programme in 2020 and since then we have delivered more than ten sessions, working with over 500 families to make communities healthier and happier places for developing children.

Our Mission is Building a better community through different programs and to create a better parent-student relationship. Making the parents staying with students activities in the college. To strengthen the bond between the college and parents even after the tenure of their wards in the college. our Aims and Objectives, Serve as a platform for parents., To strengthen parents' rights both collectively and individually., Make the parents as nurture in adult relationships, as an individual, as a worker, as a consumer as a community member and as an educator. To achieve more flexible and inclusive statutory system for parental representation., To modernize and strengthen the system for parental involvement in student education., Host educational clubs, programs for families. To involve parents in social charity activities., Workshops and programs to enhance parents' abilities, Family rehabilitation and refreshment programmers. Family counseling sessions. Organizing and Operating the Parents' Club It is essential that the Parents' Club works with the college. The best way of doing this is establishing a liaison between the club and the college. The club consists of a committee with Principal as the president. The secretary will be the secretary of the PTA and a coordinator is appointed to coordinate the activities of the club. There will be a treasurer and an executive body consisting of one parent from each class and HODs of every Department. The activities of the Parents' Club is decided by the club itself. However the activities should benefit the families and the students.

HERITAGE CLUB

“INNALEKAL’

As part of the site visit of the Heritage Club, a documentary titled Innalekal was released.
