Puthanathani, Malappuram

**Subject:** Request for Permission to start a butterfly garden under the Biodiversity club and Adorno club.

Sir,

The **Biodiversity Club and Adorno club** of our college kindly requests permission to start a butterfly garden in the college campus. As part of the program, we propose to conduct a **sapling plantation drive** on 27<sup>th</sup> October 2025.

We also seek your kind approval to invite participation from all departments, including teaching and non-teaching staff and students.

We look forward to your support and kind approval to organize the event meaningfully.  
Thanking you.

Yours sincerely,  
Aswathi P.

### **Detailed description of the event**

The Adorno Club and Biodiversity Club of CPA College of Global Studies, Puthanathani, jointly organized the **Inauguration of the Butterfly Garden** on **27th October 2025**. The event marked a significant step towards promoting environmental awareness and biodiversity conservation within the campus.

The inaugural ceremony commenced at 10:00 a.m. with a welcome address by **Dr AZEEZ K, Former principal PSMO College Thirurangadi**, who highlighted the importance of creating sustainable green spaces and the role of butterflies as vital pollinators in the ecosystem. The program was presided over by **Mr.Jone Joseph**, Principal of CPA College of Global Studies. In his address, he appreciated the joint initiative of the clubs and emphasized the need for students to actively participate in eco-friendly projects that enrich campus biodiversity.

The Butterfly Garden was officially inaugurated by **Dr AZEEZ K**, who unveiled the name board and planted a sapling to commemorate the occasion. The garden features a variety of nectar and host plants specially selected to attract different species of butterflies native to the region.

The event concluded with a vote of thanks delivered by **Mis Aswathi**, expressing gratitude to the management, faculty, and student volunteers for their support in establishing the garden.

## FEEDBACK

The **Butterfly Garden Inauguration** held on **27th October 2025** at CPA College of Global Studies, under the joint initiative of the **Adorno Club** and **Biodiversity Club**, was a highly informative and inspiring program. The event was well-organized and succeeded in creating awareness among students about the importance of protecting and conserving biodiversity within our campus. Participants appreciated the thoughtful planning behind the establishment of the Butterfly Garden, including the selection of suitable plants and the aesthetic layout that attracts and supports various butterfly species. The presence of the Principal, faculty members, and the resource person made the program more engaging and meaningful. Overall, the program received very positive feedback from both students and staff. It not only enhanced environmental consciousness but also provided a hands-on learning experience. The Butterfly Garden is expected to become a vibrant part of the campus, promoting sustainability and serving as an educational resource for future activities. The efforts of the Adorno Club and Biodiversity Club are truly commendable for organizing such a creative and impactful event.
