PROGRAMME REPORT

Title of the Programme : Health and Educational Digital Survey

Date: 25th December 2025

Time: 2:30 PM – 5:00 PM

Venue: GLPS Kanmanam, Medippara

Name of the Co-Ordinator: Aboobacker K

Objective of the Programme:

- To collect basic data related to the health and educational status of households.
- To identify the health and educational needs of the community.
- To promote social responsibility and community engagement among NSS volunteers.

The NSS Unit 272 of CPA College of Global Studies, Puthanathani conducted a Health and Education Survey in the adopted area as part of the NSS camp activities. The programme aimed to understand the living conditions, health problems, and educational background of the local residents.

The NSS volunteers were divided into groups and visited houses in the selected area. A structured questionnaire was used to collect information related to family health, sanitation facilities, drinking water, educational status, and school attendance of children. The volunteers interacted politely with the residents and explained the importance of personal hygiene, balanced diet, and education.

During the survey, common health issues and educational challenges faced by the people were identified. The volunteers also created awareness among the residents about maintaining cleanliness, preventing diseases, and encouraging children to continue their education.

The programme helped the NSS volunteers to gain practical knowledge about community life and social responsibility. The Health and Education Survey was successfully completed with the cooperation of the local people and resulted in valuable learning experiences for the volunteers. The program concluded successfully with valuable learning outcomes for students.
