
PRINCIPAL'S NOTE

With Innovative Spirit

CPA College of Global Studies is in its era of transformation, with new methodologies and innovations. The collective endurance of the management and the staff, the college is changing its whole facet. Introduction of new programmes and Add on courses with international certification had brought enthusiasm among the students for finding themselves career oriented training. The college has its own method of developing the quality of education instilling new spirit among the teachers through continuous evaluation and developmental training. The campus had transformed into a student friendly one, with activities based on creative thinking and collectivism. Respecting the values and emulating the new vibes, the students are actively participating in the curricular and co-curricular hunts of the knowledge. The annual report of 2021-22 is the best example to know how the college is following those spirited passions of acquiring knowledge through different ways. I appreciate Mrs. Rahsina and her associates for preparing this well designed report within a short span of time.

INTRODUCTION

Education is about empowerment, about cultivating a human being to the highest possible potential- a tool for fulfilling the immensity of being. Giving quality education is the motto of every higher learning institution. From this Motive CPA College of Global Studies came into existence in 2012.

CPA College of Global Studies, located in the lap of nature, is a fast emerging resourceful destination for higher studies. This esteemed institution has been successfully serving the society for the last few years. It is run by NICE Educational Trust Puthanathani with Janab. C.P Abdu Rahman Haji Kuttur as its Chairman and Founder Patron. Dr. Hussain Randathani, an eminent educationist serves as the Director and Secretary of the College. The College was officially inaugurated by Dr. K T Jaleel (MLA, Thavanur Constituency).

CPA College of Global Studies is located at Puthanathani, Malappuram, Kerala, India. The campus is just one Kilometer away from the National Highway Road. The picturesque site and blossoming green environment make the campus free from pollution. The college, a self-financing institution, is affiliated to the University of Calicut and approved by the Government of Kerala. The college started functioning with three UG Programmes namely, B. Com Cooperation, BBA and BA Functional English with 85 students. Initially the college name was CPA College of arts and science and it was renamed to ‘CPA College of Global Studies’ in 2020. The college was started with a single floor building on 2012. After six years it was renovated to extra three buildings with more space and facilities.

At present there are eight UG and two PG programmes. The campus is spread across a vast area of nine acres of green land with shrubs, herbs and trees. The campus had well-arranged infra structure with all the modern facilities, have a spacious building with facilities of smart classrooms, digital library, playground, canteen, open auditorium, update hall, laboratory and prayer hall. The college provides Bus facility to girl students. Now there are 39 faculty members from different streams, administrative staffs, security staffs and staff for menial works. The total student strength is increased to 634 (UG- 607, PG-27).

CPA believes in nurturing a holistic education, which is about honing every facet of a student, helping an individual develop life-skills, a spirit of enquiry and research. Beyond learning in the classroom and laboratories, the college has developed a mechanism to introduce each student to a wide range of co-curricular activities. To achieve this goal the students are given a special graduate programme called UPDATE. This encourages the student for team work, interpersonal relationship, creative learning and collective responsibility. We also equip the students with social responsibility by fostering among them palliative service and trauma care. The college provides co-curricular and extension activities for the overall development of the students. The first-year students are compulsorily given aforesaid UPDATE programme. These kinds of innovations had raised the excellence of the institution to a higher level facilitating the

way to higher studies and career for the students who now studies or works at various places in India and abroad.

The college runs with an avowed objective of developing higher education among the masses and creating a young generation set with global requirements. Since its inception in 2012, the college has been rendering valuable service for the advancement of the educationally, socially and economically backward rural people in and around the area. The college promotes education in a free atmosphere, which enables the students to seek the truth in their own way. It demands us to continue striving through constructive engagement for a bright future for our academic community in a world of growing challenges in higher education.

VISION

To equip the students with all-round development and potential by providing need based, career-oriented quality education with an emphasis on social concern.

MISSION

Our mission is to become a leading institution which helps our students develop the knowledge, intellectual capacity and professional experience they need for their long-term careers. We prepare the students to play a role as citizens of a complex world. To engage with that world, to help solve problems and forge relationships, to understand other points of view, all this requires integrity, creativity and the ability and willingness to take responsibility.

THE MANAGEMENT

The goals and objectives of the college, to a large extent, are intrinsically related to the aims and objectives of the aforesaid The Nice Educational Trust. The management has a very enlightened approach of non-interference in day-to-day administration which is exclusively left to the principal and staff. All activities in the college are backed by healthy management practices. Teaching learning evaluations are guided by academic plan prepared and published in advance and strictly adhered to.

PRINCIPAL AND STAFF

Principal is the head of the institution. He has to look after all the administrative functions as well as facilitating and monitoring the academic activities of the college, day to day management of infrastructure, finance, human resource, and general discipline in the campus are also his domain. The principal supervises all the academic activities of the college. Since an institution of higher learning is administrated based on certain lofty values, concepts and conventions of a civilized society rather than on force and power, the leadership functions of a principal is indeed onerous. He is a brilliant scholar hailing from Randathani had his primary school locally and higher education at Aligarh Muslim University and doctorate from the University of Calicut. Well known for his scholarly work in provincial history, he is also a social activist of repute. He is a prolific writer and broadcaster and has travelled widely. This rich background makes him a man of vision and seasoned administrator and helps him to carry out his present responsibilities with elan.

The principal is assisted by Vice Principal in the Academic matters and Superintendent in administrative matters. The appointments and salary fixation and other financial matters are done by the secretary and the management in consultation with principal. The Vice Principal deals with the duty of the teachers and coordinates the activities of different sections and keeps the academic calendar of the college followed strictly. He represents the principal in different bodies and supervises the admission and facilities of the college. The Vice Principal acts as an Academic Coordinator to monitor the academic matters connected with the facilities of the students, tutorial system, remedial measures and discipline of the students. Here in the college the Vice Principal also supervise the accounts of the college as per the instruction of the Managing Committee.

There is a Nodal officer who is appointed as per the order of the university to act as a link between the college and University in the case of admissions and examinations. He also acts as the Public Relations officer of the college as per the University norms. The Superintendent is the head of the office. He regulates the working of the office regarding

the correspondence, tuition fees, exam fees, fines, admission, TC, university and govt. orders, canteen, accounts, donations, vehicle, salary, taxes, construction accounts, purchase, stock, audit etc. He is assisted by two clerks one connected with accounts and other with academics.

Besides, the department activities are coordinated by the Head of the departments who forms a department council with his department colleagues. The HOD entrust the activities connected with the attendance, tutorial, tour, examinations, uniform, discipline, clubs and extension activities to the faculty members in his departments. Each department keep a Department Diary to note the day-to-day events and flow of the work. It is to be submitted to the principal at the end of the semester and whenever asked by him. There is a faculty for Physical Education to foster the sports spirit among the students. Other staff in the college includes an Accountant, librarian, system administrator, lab assistants, attender, driver, security and scavenger. The principal also appoints coordinators for different extension and co-curricular activities from the faculty members.

It is the faculty led by the principal who hold the key to decision- making process in the college. While the managements limit their role to major policy decisions and raising financial resources, all other important decisions regarding the affairs of the college are left to the faculties and the principal who go about it in the most democratic manner. The management scrupulously avoids interfering in the day to day running of the institution and expects the faculty to take decision and implement them and the faculty on their part, strives to discharge the responsibilities ensuring the health and growth of the institution.

STUDENT SUPPORTING PROGRAMMES

The college is proud of its student profile which comprises mostly students from the socially and economically deprived sections and that with girls enjoying a distinct majority. The college has an exemplary record of student support services with an efficient and decade old tutorial system. Special consideration for SC/ST, Minorities/ Differentially abled is ensured at every level. The college is unique in its mission and methodology. Besides affiliating to the university, continuous training and counseling is given to the students through parallel curriculum to equip them with a higher stage of excellence.

1. TUTORIAL SYSTEM

The Tutorial system is designed to keep the relationship between the students and teachers in a systemic and meaningful manner. The tutorial system analyses the progress of the students, the circumstances of the student's dwellings, mental and physical strength, the need of counseling, Academic audit of each student, need of remedial measures, indiscipline etc. The system is a pyramid like structure starting from the principal to the students as shown below:

In each class there will be a Chief Student Coordinator and one Assistant Coordinator. The Chief Coordinator keeps a Student's Diary for each class. In the diary he has to record the day today events and details of the class taken in each hour. For each class a Tutor has been appointed. Every week the Tutor has to sign the diary at the end of the week and the HODs at the end of each month.

The Chief Tutor examines the diary and comments on the activities and makes suggestions. The coordinator has to keep the class room clean and hygienic and to organize debates and discussions and quiz competitions at least twice in a month in the presence of the Tutor. Each Tutor keeps a register dealing with the biography and overall performance of the students. He also keeps a diary to note the activities of the class. The Chief Tutor holds meetings with the coordinators under the supervision of the principal to discuss the progress of the class, module plans and give proper suggestions and instruction. If any teacher found weak in the duties or non-competent as per the suggestions given by the students, matter is discussed with the principal and actions are taken. It is the duty of the Chief Tutor to assess the examinations held in each class and the state of the student result after consulting with the tutor. Remedial teaching is also the part of a Tutorial system, which promotes individual attention and discipline. There will be frequent meetings of Coordinators, Tutors and HODs called by the Principal for discussing the academic progress of the students. The Academic Coordinator coordinates all the academic activities of the college.

PTA - Parent Teachers Association

This is Parent Teachers Association which is aimed at acting as a link between the Management, Parents and Teachers. The committee is consisted of seven members from the part of teachers, seven from the parents and secretary of the Management and Principal. Principal will be the President of the PTA and a parent is selected as Vice President. The secretary ship also goes to a staff member as per the norms. This body discusses every issue connected with the college and give suggestions. A member ship of Rs.1000/- is to be given as member ship fee by each parent during the admission of their wards. The fund is utilized for helping the poor students, for purchasing books, for giving support to the staff and for other purposes decided by the committee.

The PTA executive normally convenes thrice in a year. Department wise PTA and Class wise PTA are held thrice in a year. In the beginning of the year a combined grouping of the parents and students of each department is organized. There will be parenting classes in the general meeting, and class PTA will be held in the presence of parent, teacher, tutor and the student. The parents can come with their opinions and suggestions in the class wise meeting and they will be discussed in the executive meeting for solution.

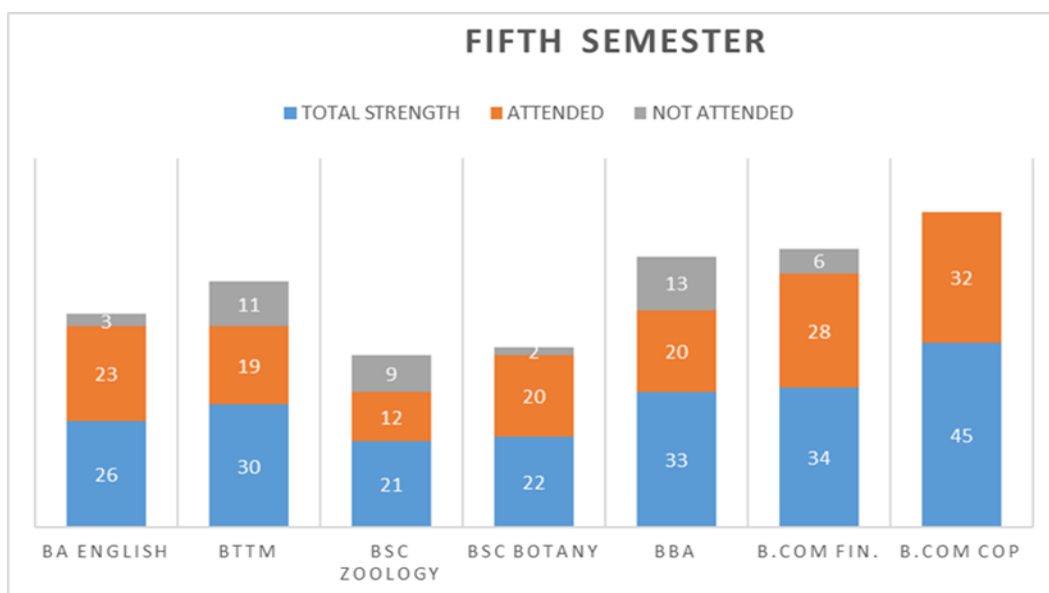

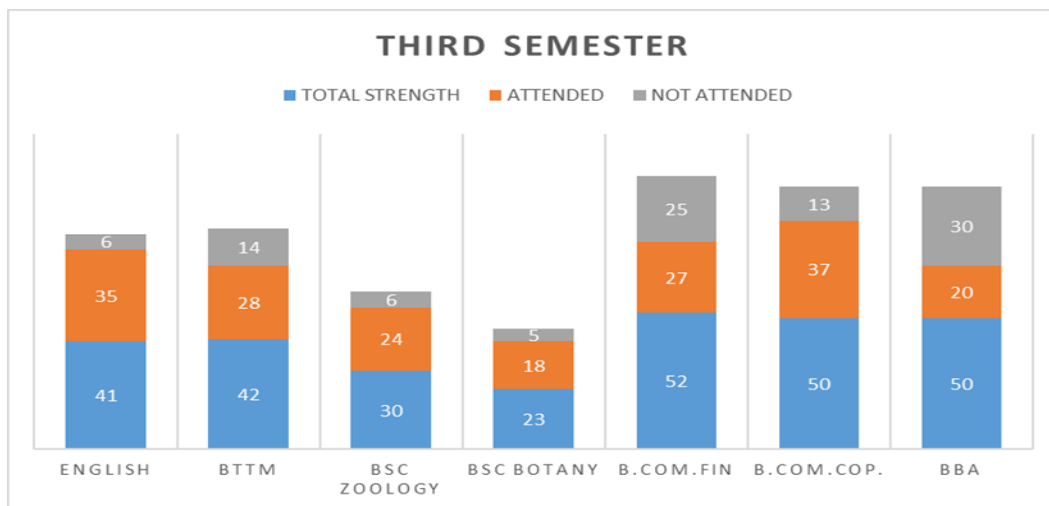

The PTA system of a college build to encourage and promote good relationship among the members of the teaching faculties, students and parents/guardians of the students. All the teachers of the college and guardians of the students of the institution are members of the PTA. It is necessary to create in its members enthusiastic interest for the smooth working and the progress of the institution and for maintaining good discipline and high academic standards. The main objective of the PTA is to create better understanding between parents and teachers and harmonious relationship between the institution and community.

To meet the educational requirement of students with poor educational back ground the college has started a remedial coaching cell during the month of December, 2020. Prof. Sadarudheen, the Vice-principal is the chief coordinator and Ms. Jabira Farsana K. is the coordinator for the activities under the cell and it aims to reduce the students' failure and dropout rates at the UG level. The cell provides additional tutoring for various subjects as well as the languages and personality development. This target to create a healthy and friendly atmosphere for the students and encourages them to attain a better studying condition. The academically weaker students were identified and allotted under the supervision of a faculty who is entitled as their mentor. A total of 63 students were selected for this particular programme from the various teaching departments. The mentor evaluates the students and takes appropriate measures to solve their difficulties and elevate their learning standards.

The cell is providing remedial teaching for various subjects, language proficiency and personality development classes. With the start of healthy and students' friendly cell in

the college these learners are encouraged to compete with the rest of the students. Almost all the subjects are covered under this scheme taking into consideration of demand and need of the students with all necessary facilities and counselling.

'EONIA 2K21' – THE SHAKESPEARE FEST

In association with IQAC English Club has conducted "*EONIA 2K21*", The Shakespeare Fest on 24th& 25th of February 2021. The primary intention was to create Shakespearean aura by making everything supernatural which cannot be explained by the accepted laws of natural science or physical laws. As the main focus was on Exhibition related to Shakespeare the students have done a great job on decorating Exhibition Hall with Shakespearean quotes, pictures, small flags and banners... etc.

On the first day (24TH February 2021), 'EONIA' started with an International Webinar on the topic "*Shakespeare: Tale of an unsurpassed genius*". The session was handled by the chief **guest Dr. Shahla Ghouri**, the eminent writer, social worker and Professor of English and European Studies in Aligarh Muslim University. Actually, she has delivered an astounding content where she focused why we still read Shakespeare. The idea that she delivered was so similar to what Ben Jonson had mentioned about Shakespeare: "*He was not of an age, but for all time!*" Inauguration of this session was done by the principal Dr. Hussain Randathani.

The second day witnessed the outburst of so many talents from the students and Chief Guest professor **Abubakkar** simply added fuel to the fire of students by taking them in to the realm of 'Shakespearean Drama' through his lecture, where he provoked the thoughts of students by saying that how Shakespeare turned familiar things to unfamiliar to grab the attention of readers. Mostly he was dealing with Shakespearean Dramas.

The next step was to get everyone to be engaged in Exhibition and professor **Abubakkar** inaugurated exhibition hall by lighting the candle. Obviously, this was the highlight of the second day and of course it was the most challenging part as students had to turn light room into dark one to bring back Shakespeare's loftiness. Their efforts were so commendable. The next session was handled by **Asst. Prof. Mary Haritha** with her readily performance to engage students into the Quiz competition. She activated students by motivating their thoughts regarding Shakespeare, where students left their repose and turned their attention to the quiz very enthusiastically. Actually, everyone was eagerly waiting for the second half of the second day, there awaiting student's stage programs. It was started by the character presentation of Sinoofa as Lady Macbeth and Shibna as Cleopatra. They were completely depersonalized themselves and entered into the character. Anyway, the spectators were looking for scene presentation to witness some scenes that Shakespeare perfected through his works. The next performance was done more justice to Shakespeare by acting a scene from Romeo and Juliet. Chief guest Abubakkar sir praised our students, he said: "I have taken photos of your works on the exhibition hall to inspire my students". Actually, these words of him were great achievement. Students were highly motivated and got a platform to express their creativity.

The students who are talented and passionate in art, culture and media are molded and encouraged immensely by the pulsating activities of the Audio-Visual (AV) club which was inaugurated on 18th August, 2020 by the famous Malayalam movie actor **Mr. Maqbool Salman**. It was followed by a photography contest on 19th August for which the winners were awarded with the mementos. To inspire the students with poetry, an online recitation fest – ‘*Kavyakeli*’ was organized where several students participated and presented their poems. A theme-based inter-departmental short film making competition was conducted on 22nd September, 2020. Interestingly, 10 entries from various departments were received and the best ones were appreciated by cash prizes. A friendly chat and interview with the leading Malayalam artist **Vincy Alocious** were led by the AV club members at her home and this gave the students a wide knowledge on various aspects on Malayalam cinema and the life of artists. A bunch of enthusiastic students were selected for a visit to the film shooting location of ‘*Bheemante vazhi*’ for a better exposure to the world of Malayalam cinema crew and sight of film making. Conversations with the artists like **Kunchako Boban, Chemban Vinod** and **Jeeva** was a unique experience for the students which ignited the artistic talent in them. The AV

club members were also participated in the three-day work shop on Film making and international film festival held at Ponnani, on 24th-26th March, 2021.

BEST PRACTICES

Students are viewed not merely as seekers of knowledge but as valued partners in the destiny of the institution. The college has a well-defined goal from which the concept of excellence is inseparable. Innovations in every field of activity, academic and co-curricular are in fact a way of life rather than a managerial concept. Value orientation has always been an integral part of campus experience. The students are inspired upon their social responsibilities and we follow the practice over theory in this regard.

CONCLUSION

With Gratitude

The academic year 2020-21 is a turning point in the history of the college. Dr. Hussain Randathani, the educationalist and the former Principal of MES Colleges took charge as the Principal and Mr. Sadarudheen, as the Vice Principal. The whole facet of the college changed by constructing new buildings including library, class rooms, laboratories, prayer halls etc. The number of books in the library increased up to 5000 last year. New programmes- BSc Psychology and MSc Botany also were introduced. The number of the students increased up to one thousand. The academic calendar was thoroughly planned by introducing new soft wares and ICT facilities. A special program-me as mentioned earlier, Update had the desired effect on the overall development of the students. This program-me is mandatory to all the students who join the college. Well experienced faculties enhanced the academic pursuits of the students up taking the results far ahead. The office and administrative facilities were made student friendly. Despite the Covid pandemic, the college took the responsibility of the online classes by providing facilities in the college itself. The management, in spite of their financial loss, whole heartedly cooperated with the staff in the organization of the academic activities in the college.

The college further plans to develop the academic structure of the college, by introducing new methodologies and programmes. The work of the restaurant is in progress. The facilities for the students will be increased by constructing new gate, garden and vehicle parking centre. We also had plan to increase sports facilities by expanding the ground and introducing training camps to the students. We take this opportunity to place our gratitude to all those who supported and assisted us in making this report into fruition.
