

Mehjabin.MK

Designation: Assistant Professor,
CPA College of Global Studies, Puthanathani
Email-id:mehjabin994@gmail.com

Completed the Masters in Biopolymer science in 2021 as the 9th rank holder from Cochin University of Science and Technology(CUSAT) and qualified to be an assistant professor, she works as an advisor and mentor to the Chemistry students in various papers and genres. With her interest in General and polymer chemistry, she could guide students to participate and excel in various competitions and their respective studies. Her research interests lie in the processing and characterization of Epoxidized natural rubber (ENR), Physical and characterization techniques of elastomers.

EDUCATIONAL QUALIFICATION

- M.Sc. in Biopolymer science from Cochin university of science and technology, kochi, kerala
- B.Sc in chemistry from Majlis Arts and science college, Puramannur, Kerala

WORK EXPERIENCE

Research Trainee at Rubber Research Institute of India(RRII), Kottayam, Kerala

AREA OF INTERESTS

- Physical Chemistry
- Organic Chemistry
- Inorganic chemistry
- Rubber
- Polymeric Material

CONFERENCE ATTENDED

- Attended 11th International level conference on '*Advancement in polymeric Materials*' organized by Central Institute of Petrochemical Engineering & Technology (CIPET): SARP APDDRL, Bangalore in 2020
- Participated National conference on '*Recent trends in material science and technology*', Indian Institute of Science and Technology, Thiruvananthapuram, Kerala in 2019.
