The students reached the destination by 10:30 am. As soon as we entered the institution we were guided to the hall where all the Autistic, Intellectual disabled, Down's syndrome, Cerebral Palsy etc. students were seated. The Principal of the institution Mrs Shashikala began the session by presenting us with a documentary that includes every milestone and condition of a child's life through autistic way. The learning and motor intervention activities were conducted along with small games were conducted for the children for which they were awarded. At the end, all the children were presented with a small gift. The session ended with a few cultural programs by the children.
