### PROGRAMME REPORT

#### (HERITAGE VISIT )

The Heritage Club of CPA College organized a heritage visit to Mahabalipuram and Pondicherry Heritage Street on February 20-21, 2024. The visit aimed to provide students with an opportunity to explore and appreciate the rich cultural and historical heritage of these iconic locations.

Day 1: February 20, 2024. The journey commenced early in the morning with a sense of excitement and anticipation. Upon reaching Mahabalipuram, the group was welcomed by the magnificent rock-cut temples and monuments, which are a testament to the region's architectural and cultural grandeur. The students were captivated by the beauty and history of the Shore Temple, which stands as a testament to the Pallava dynasty's architectural prowess. The group explored the Pancha Rathas, a collection of monolithic rock-cut structures, each named after the Pandavas from the Mahabharata. The students marveled at the intricate carvings on the massive rock relief, depicting scenes from Hindu mythology.

Day 2: February 21, 2024 The second day of the visit was dedicated to exploring the charming and historic Pondicherry Heritage Street. This area is renowned for its well-preserved colonial architecture and vibrant cultural atmosphere. The students strolled through the French Quarter, admiring the colonial buildings, quaint cafes, and boutiques that reflect Pondicherry's French colonial past. The visit to the Aurobindo Ashram provided a peaceful and reflective experience, where the students learned about the teachings of Sri Aurobindo and the Mother. The heritage visit concluded with a reflection session, where students shared their experiences and learnings from the trip. The visit not only enriched their knowledge of India's cultural heritage but also fostered a sense of camaraderie and teamwork among the participants.
